ARENTEA ARENDSEN:

Large pure white, very early.

HEIN ROOZEN:

Good white forces medium.

LA GRANDESSE:

Very stately truss of an immense size with snow white flowers, very adaptable for late forcing and potplant holiday trade.

L. INNOCENCE:

Pure white, well formed spike, excellent for mid season, a world beater in white and a money maker for the florist. The merits of this variety are well enough known.

QUEEN OF THE WHITES:

White sport of Queen of the blue, pure white dense and compact flower, with all the good qualities of the mother plant.

GERTRUDE:

Rose pink color, large compact flower on a stiff erect stem, the bread and butter variety for the florist, medium early. This variety is so popular to the trade that it does not need any further recommendation.

LADY DERBY:

Very fine, delicate, pink, large flower and very early forcer, this variety excels all others in its color and adaptable forcing facilities, if not already familiar with the merits of this variety we strongly recommend same to your attention, because it is a money maker.

LA VICTOIRE:

Carmine red, beautiful color, very early forcing variety and meritable variety, well known in the florist trade.

QUEEN OF THE PINKS:

Deep pink sport of king of the blue with the identical qualities of the mother plants, new with a wonderful future.

BISMARCK:

Color light sky blue, wonderful addition to recent years' large enormous flowers, earliest forcing blue, none better in its color and forcing habit. If not already acquainted with this variety you should get some. It is the bacon of the future.

DR. LIEBER:

Very good forcing variety in the dark blue color.

GRAND MAITRE:

Porcelain blue, well known and popular variety.

KING OF THE BLUE:

Purplish blue, extra large flower, stocky and erect, habit and perfect shape variety very well known to the trade, a real asset to the floral business.

PERLE BRILLIANT:

Very fine blue color, wonderful flower for pot plant trade, novelty of real merit, bulbmen maintain that when sufficient stock has been worked up it will crowd Grand Maitre out of the market.

QUEEN OF THE BLUE:

Very delicate lavender blue midseason variety and remarkable good keeper, in big demand for the holiday trade, money maker to the florist, no one should be without it.

CITY OF HAARLEM:

Pure golden yellow, extra fine, wonderful keeper and good forcer, the best variety in the yellow color.

YELLOW HAMMER:

Pure yellow variety, rather late, its popularity faded since City of Haarlem got in the market.

We have just listed the most popular present and future leaders, the real money makers in the florist business. If, however, you have any particular fancy for a variety not in our list we can supply you.

Hyacinths, 100 per bag. Not less than one bag of a kind sold.

DARWIN TULIPS

Darwin tulips today are the most popular known tulips. The merits are so well appreciated by the general public, that they will ask for Darwin tulips by name, or indicating that they want those big tulips on those stately tall stems.

	Per 1000
BARONNE DE LA TOURNAE.....	\$20.00

Bright rose, very large, well shaped flower, a money maker for florists.

BARTIGON	\$30.00
----------------	---------

Brilliant carmine red, very good forcer, excellent variety for pans and cut.

BLUE AIMABLE	\$30.00
--------------------	---------

Bright violet purple with large blue base 26 in. high, an excellent forcer and bedder, no florist should forget this, excellent variety in this collection.

CENTENAIRE	\$40.00
------------------	---------

Enormous size flower, very early forcer, in fact this novelty will dominate the market as the earliest deep pink forcer as soon as plenty of stock is available, now is the time for wide awake florists to get acquainted with this grand novelty.

CLARA BUTT	\$20.00
------------------	---------

Very delicate salmon apricot pink, the best Darwin in its class, an old and popular favorite which has held the market for some time, and will hold yet for some time to come, no order is complete with this variety left out.

FARNCOMBE SANDERS	\$25.00
-------------------------	---------

Fiery scarlet with white base, splendid forcer, good shipper, 26 in. high, meritable variety and well known to the trade. This variety deserves your attention.

GRETCHEN	\$20.00
----------------	---------

Silvery pale rose-bordering blush white, good form, tall, erect stem, very choice variety, a money maker and well recognized as such throughout the floral trade.

MAD KRELAGE	\$30.00
-------------------	---------

Soft rose pink, good variety, although it is losing popularity in the last years.

PAINTED LADY	\$20.00
--------------------	---------

Creamy white tinged heliotrope, beautiful flower, 26 in. high, strong, erect stem, very desirable cut flower and good forcer, no florist can afford to be without this.

PROF. RAUWENHOFF	\$35.00
------------------------	---------

Cherry red color, comes a little pale if forced hard.

REV. EWBANK	\$20.00
-------------------	---------

Vivid heliotrope lilac with lighter margin, very good forcer and bedder, popular variety and good all around tulip.

SIERAAD VAN FLORA.....	\$25.00
------------------------	---------

Dark rose pink, distinctive in color, midseason variety, well known.

THE SULTAN	\$20.00
------------------	---------

Maroon black, good form, commonly known as the black tulip, good variety, color is not as taking as red, pink and lavender.

WHITE QUEEN	\$20.00
-------------------	---------

Distinct white Darwin, very beautiful, only good white Darwin in existence, erect stem with globular flowers, very desirable for floral work.

WILLIAM COPELAND	\$30.00
------------------------	---------

Also truly called sweet lavender, best lavender tulip by far in existence, no prettier flower in that color known, furthermore, this is the earliest forcing Darwin in existence and is easily ten days ahead of all other varieties.

This variety is an old stand-by in the floral trade, shown on different exhibitions, always drawing high merits, popular and well known in the trade, and experienced bulb growers will vouch for this variety as being the best Darwin for the commercial grower on account of its readiness to bloom and high prices in the market, from a commercial standpoint we say there is none better, and florists should grow plenty of them; they are always good, early or late.

Darwin tulips?

Yes!

If Darwin had lived to see these new creations he would have wondered if he was right, or admitted that it was SOME evolution.

Mr. Hendriks, the bulb wizard and his family, all bulb growers from the little one up.
